DOCTORS' DAY

Poem Writing Competition:

"Not all angels have wings; some have stethoscopes."

Doctors are angels to cure our mental and physical pains. This year, the **National Doctor's Day** is very significant as doctors continue to fight the Covid pandemic day and night. Regardless of specialty, doctors face the challenge of diagnosing and treating human disease, ailments, injuries, pain, or other conditions. This is done by listening to the patient, understanding the problem, and then using their scientific expertise to know how best to treat the ailment or concern. So, the college Students' Union decided to make this 1st July 2020 day great. We conducted a poem Writing Competition and many other programmes.

The participants explore their language beauty through their lines.

The winners and participants were awarded with e - certificates
