FIRE AND SAFETY, TRAUMA CARE

Fire continues to be one of the greatest risks we face. The Fire and Life Safety Program involves numerous activities, programs, and procedures to help ensure that our campus is a safe place to work, live, and play. These program areas include fire prevention ,emergency preparedness, preplanning, education, and response. The NSS Volunteers were given training in first aid, trauma care and fire and safety rescue. Anas and team from Thiruthiyad Trauma Care lead the practical sessions. Jabir and a team from Malappuram Civil Station trained on rescue.
