LIBRARY ORIENTATION TO FRESHERS

Library is compared to the heart of an educational institution. It supports the needs and thirst of the users of the institution. The goal of an education institution is to support the teaching and research needs. The main objective of the user orientation is to introduce the library facilities, resources, services and library techniques to the users. The orientation programme makes the users familiarize with the resources and increases the use of libraries.

On this purpose, Anvarul Islam Women's Arabic College conducts a Library Orientation class for freshers. The class was conducted by Librarian Ms.Sareena for different classes on different days. She introduced the systems and the books to the students.
