MSM Golden Jubilee: Essay Writing

MSM has been able to organise activities to promote skills and leadership in campuses and at regional levels upholding the principles of education, thought and dedication. Being a close-knit and friendly community, MSM serves to assist students of various fields and endeavours to promote understanding between Muslims and people of other faiths in the campuses. What we believe in makes us who we are and shows our lives a path to move on.

On the 28th of November, the students from our college had the opportunity to participate in the Essay Competition held on the occasion of MSM Golden Jubilee to explore their language beauty.
