## STUDENT'S UNION 2019 - 2021 CLOSING CEREMONY

The institution aims at moulding the young students into responsible citizens and adopts several measures in this dimension. The main objective of the election was the formation of our Students Union who will manage the affairs of the Union under the guidance and supervision of the Principal, IQAC and other officials of our college. The union, which had existed for two consecutive years due to the covid crisis, held an election to elect new union members through the online platform.

The students get accustomed to constitutional values and principles through the process of the College Union Election which has all procedures of a proper election like appointment of a Returning Officer

from among the staff, submission of nomination, campaigning, abiding by election rules and decorum, voting. The election of the official authorities of our College Union gave the students an opportunity to develop their talents for leadership skills.
