THASABUQ

Fine arts fest of a college is a heartbeat within the students. It is an emasculate stage where they can showcase and celebrate their biggest gifts and brilliances.

On the 23rd of November 2019, the Fine Arts Fest dates were released to the students, a logo and name was released through a competition to be Thasabuk. Terms and conditions for the competition and the competitions itself were released to the students to understand and get ready, for both the group, paired and individual activities. All the students were divided into four houses at random into; Ruby, Sapphire, Emerald and Topaz. All the students were excited to be part of the Fest now called Thasabuk.
