THUNISANJI

The decreasing trend of usage in the packaging sector of plastic products, on the other hand, increases demand for Cloth bags. In the near future, demand for cloth bags is expected to increase because of the consumer's propensity to reuse and recyclable products. In India, some retailers prefer cloth bags for their products, due to strict plastic regulations.

The eco-friendly cloth bags are anticipated to overtake the plastic bags. As part of the implementation of the Green Protocol at the college, the NSS unit launched a Cloth Bag Project for the volunteers. Malappuram Block Panchayath President Saleena inaugurated the distribution of cloth bags.
