WEEKLY VOICE

In the academic year 2020-21, we conducted a weekly voice programme through whatsapp group named "VOICE OF ANVAR" under the leadership of Aiwa library readers forum which focused on the significance of important days in every week. Students shared their 3 minute audio on the importance of the day in the whatsapp group. This voice is also shared in the class groups and also uploaded in our youtube channel. This helped students to know about the significance of that day.
